

BOUQUET SUBSCRIPTION

Lovingly, locally grown, handcrafted flower bouquets

Sweet 16 Farm in Houston, MN, is excited to announce that we are now accepting orders for our 12-week and 6-week flower CSA program. Each week, late-June through early September, we will create gorgeous arrangements full of seasonal bounty to wow your senses. All blooms are organically grown from seed to flower right here at Sweet 16 Farm. On average, each bouquet will contain 15-25 stems artfully arranged in kraft-paper sleeves, hand-stamped with our farm's logo.

What is CSA?

Community Supported Agriculture (CSA) is a partnership between farm and community. Sharing the rewards as well as the risks of the season's bounty. Your purchase of a CSA bouquet subscription helps support our work this growing season and invest in the next, purchasing new flower and seed varieties, restocking supplies, and making repairs to equipment and infrastructure.

Subscription pricing

\$240 Our full share or 12-week bouquet subscription brings you a fresh floral arrangement each week, starting late June through early September.

\$130 Our half share or 6-week bouquet subscription brings you a fresh floral arrangement every other week, starting late June through early September.
